The Foundation was established in memory of Sean Kimerling, the Emmy Award-winning anchor of CW11 sports and pre-game announcer for the New York Mets. Sean died from testicular cancer on September 9, 2003. "The Foundation greatly appreciates Ken's support and efforts to increase awareness and honor Sean's memory", said Noah Kimerling, President and Founder. "The Foundation's goal is that all men will have the information they need about the disease, its symptoms and what to do about them so that more cases will be diagnosed early, and lives saved".
